IF WE BELIEVE, WE CAN ACHIEVE

BE DETERMINED – CONNECT – REFLECT – BE SELF AWARE – QUESTION - WONDER

Dear Parents/Carers,

We are very pleased to welcome you and your family to Sixpenny Handley First School community which is part of the Heath Academy Trust.

As the Headteacher of the school, I want you and your children to feel that you belong and that you are proud to be a part of our school. The staff and I are always ready to offer our help; we operate an open door policy where you are encouraged to come into school and share your ideas and ask any questions. By working together as a team, we can ensure every child is happy and successful.

Our school has clear aims, values and expectations. We encourage a positive school ethos which is reflected in our school motto "If we believe, we can achieve". This was created by the children and is supported by the school community.

I look forward to meeting you and working together to support your child in their first years at school. We will celebrate many achievements and successes and look forward to a happy future together.

Yours sincerely,

Mrs R Musselwhite

The school is committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share this commitment. All staff and volunteers are required to have an Enhanced Criminal Records Bureau check in line with the Governments safer recruitment guidelines.
