

Sixpenny Handley First School

SCHOOL MEALS

Children are welcome to bring a packed lunch or opt into Hot School Meals, which are supplied through Local Food Links and are ordered and paid for online (see separate leaflet). If your child/children brings a packed lunch, we ask that they are provided with a suitable container which they can manage to open themselves. A drink should be brought in a plastic bottle. We encourage healthy lunchboxes and therefore confectionery is not allowed. Glass bottles and tins are unsafe and we ask that you do not send them. Water is always available if your child requires an extra drink. **Please do not send any products containing nuts. Please check all labels very carefully.**

Parents who are in receipt of Income Support, Income-based Job Seekers Allowance or Child Tax Credit (subject to Inland Revenue threshold arrangements), are entitled to free school meals which also releases additional money to the school to support with payments towards school trips, uniform etc. Applications can be made via the Dorset For You website www.dorsetforyou.com click on Education and Learning and then Schools and Colleges. Please do not hesitate to apply if you think you qualify. Applications are confidential.
