Staff will work alongside trained coaches and professionals to ensure skill development is maintained and improved. Staff will be 'up skilled' in the teaching of Physical Education and Sport.

Sport Champions across the HAT will meet regularly to share good practice and expertise. They will ensure that a calendar of events is prepared for the academic year ahead.

Physical Activity and Sport will be high profile, such as in-school activities and extra curricular sports activities, so that a love of sport is developed and skills are acquired and developed.
