

IF WE BELIEVE, WE CAN ACHIEVE

Newsletter 1 - Friday 4th September 2020

Dear Parents/ Carers,

A warm welcome back to parents and children in years 1 -4. It has been wonderful to see how well the children have adapted to their new environment and the routines associated with the current health situation.

Thank you for helping your children organise what is needed for school and for the clear communication we have received via the school office email. Can I remind parents that we must receive an email if your child is being collected by another adult.

The T-towels have arrived and we will be distributing them next week. They look brilliant! There are still a few available if you didn't manage to purchase one last term.

Vacancies

As the new year begins we have a couple of vacancies on the governing committee. If you would be interested in volunteering as a school governor, please contact the school office and we can answer any questions you may have. This is a very valuable role and we are always looking to extend our skill set.

Allsorts also has a position available after school on Wednesdays, Thursdays and Fridays (3pm-5pm). Please contact the school office if you would be interested in applying.

Learning this week:

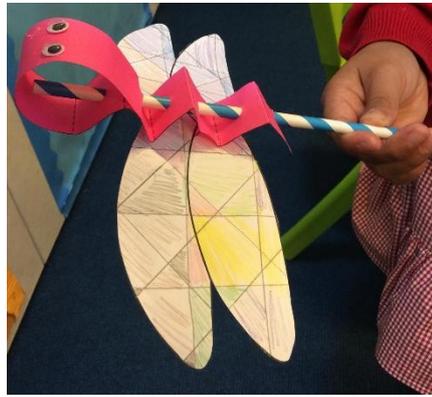

Classes have been working hard to establish new routines and revisit class charters as part of our 'Rights Respecting' ethos.

Year 1 have been writing their class charter, exploring their classroom and having fun with parachute games.

Year 2 have made stunning rainbow fish for their class charter.

Year 3 have written acrostic poems about their aspirations as dragonflies.

Year 4 have been developing their line drawings of people and understanding the importance of practise and resilience.

The new ladybird classroom is all ready for our new starters on Monday!

Dates

Dates for this term will be sent next week.

Kind regards,

Mrs Rachael Musselwhite

Headteacher
