

IF WE BELIEVE, WE CAN ACHIEVE

Newsletter 3 - Friday 22nd January 2021

Dear Parents and Carers,

Thank you for the feedback sent to the office about the remote learning timetables and our current setup. It is never easy to find a solution that suits everyone and I think your comments have reassured us that we are 'on the right track'. My concern remains that parents should not feel pressured to do everything and we have attempted to add some flexibility in the afternoons to allow for 'finishing off'! If your child is struggling in any way, please let the class teacher know so we can support you.

A huge thank you from all of us for the hard work you are doing at home to support your children.

Over the next couple of weeks we are looking to buy some online tickets to help the children access live events with authors and some virtual visits. We will keep you informed as we know more....

Free School Meals

The weekly food parcels need to continue for another week and then we are changing back to the Edenred voucher system. This has been slightly delayed by problems getting access to the site, but codes will be sent directly to families next Friday (29th September) to be downloaded and used in supermarkets as before.

Critical and key workers

If your circumstances change and you qualify for a school place, please contact the school office so that we can add you to the fortnightly mailing list which is sent to parents to register their requests. Timetables are finalised on Thursdays so that we can allocate staffing.

Contact with School

The office will not be manned every day so please email the school office with all other enquiries.

The email addresses for your classes are as follows:

Bumblebees: bumblebees@sixpennyhandley.dorset.sch.uk

Grasshoppers: grasshoppers@sixpennyhandley.dorset.sch.uk

Dragonflies: dragonflies@sixpennyhandley.dorset.sch.uk

Scorpions: scorpions@sixpennyhandley.dorset.sch.uk

Ladybirds continue to use Tapestry as the online learning platform.

I hope you have a relaxing weekend and can enjoy some outdoor activity!

Stay safe.

Kind regards,

Mrs Rachael Musselwhite (Headteacher)
