

Sixpenny Handley First School

Special Educational Needs

The SEN Code of Practice (2015) provides statutory guidance on duties, policies and procedures for children and young people with special educational needs. Within this document there is a clear focus on the participation of children and young people and parents in decision making at individual and strategic levels. It also includes guidance on the joint planning and commissioning of services to ensure close cooperation between education, health and social care.

Equal Opportunities and Accessibility

Our school is committed to providing a fully accessible environment which values and includes all pupils, staff, parents and visitors regardless of their education, physical, sensory, social, spiritual, emotional and cultural needs. We are further committed to challenging attitudes about disability and accessibility and to developing a culture of awareness, tolerance and inclusion.
