

Summary Information

For the year 2016-2017, we will receive £8475 in two instalments.

Sports Funding expenditure

- To employ specialist coaches to work alongside staff, for example, multi skills, tag rugby, football, dodge ball etc.
- Employ staff to run inter school games to increase participation in competitive sports.
- To buy resources to ensure there is a range of activities and skills that the children can participate in, both during lessons and at playtimes.
- To establish strong links with local cluster schools and within the HAT to provide joint sports activities across the school.
- Pay for transport to inter-sport events.
- To provide specialist enrichment sports weeks to inspire and enrich sporting, such as the climbing wall.
- To provide extra curricular opportunities for children, such as Tag Rugby, Dance etc.
- To release a member of staff to be a Sports Champion and represent the school within the HAT to enrich the sporting opportunities for our children.

Impact and Evaluation of expenditure

- The Sports Champion evaluates take up of sport within the school.
- Annual Questionnaires for the pupils, staff and families.

Review as at 10th October 2017

In the annual question 2017 95% of respondents agreed that the school provides a rich curriculum involving physical education.

Participation to the after school Running Club was high at 52% of the school (Eys to Y4 attending).

Sports events within the Academy and also the Cluster Schools were well attended by our pupils from Early Years to Year 4. This allowed our pupils to take part in competitions alongside their peers and experience a wide range of skill development and games play.

Our children have had the opportunity to take part in a variety of enrichment sports such as Climbing Wall, Bowls, Golf etc.

All our children regularly had the opportunity to work alongside trained sports coaches to develop their skills and acquisition.
